## ESTABLISHING YOUR LEGACY

Please consider including FOT in your estate plans. As a member of the **Friends of Timberline Legacy Circle** you will be part of a special group of donors who are committed to the future of **Timberline Lodge**. Your generosity now will impact the lives of future generations. Your membership will also assure that you are updated on the ongoing work of FOT, and include invitations to special FOT gatherings, plus mention in FOT publications.

Establishing a Planned Gift is a powerful way to reflect your values while gaining substantial financial, tax and estate planning. Including FOT in your estate plan ensures that FOT continues to thrive for future generations.

*"Timberline Lodge is all about taking the long view, and the Friends of Timberline Legacy Circle*

*provides me with a way to be a part of that ethos. It is not only giving back, but also paying forward in hopes that the inspiration and meaningfulness that this special place has provided me will live on in future generations."*
